Presidents Message

Happy New Year fellow members, we trust it will be as pleasant and successful as the previous season at the Club. Your Board of Directors has been working hard to see that 2008 will be an enjoyable and productive season of tennis for all players.

Unfortunately, it looks like our popular coach, Daniel Salmon, will not be returning this year, as he has taken a year round coaching position at Greenwin. However, The Toronto Tennis Academy assures us that Jeff Durante and George Cenic will be back, and other competent coaches will be added to complete the roster.

Last year, the Board dealt with the issue of amalgamation with the Thorncliffe Park Tennis Club, a situation that was relinquished when the City reneged on their side of the proposal. We did however, re-lamp the court lighting fixtures, resurface the courts, replaced all the kitchen cabinets and counters, and

installed a new dishwasher. We hope the other groups, who use the kitchen during the winter months, will treat this new facility better than they did the original kitchen.

This year, we are looking into refurbishing, or replacing the clubhouse furniture, eliminating the unsightly mess of recycling and garbage bins around the play-board area, and replacing them with disposal units similar to those used in fast food outlets. We are also looking into on-court waste containers, and [as our members seem to be ageing rapidly] on-court seating.

As usual all these improvements must be negotiated with the Parks and Recreation Dept., even though the Club is paying the costs. Last year we eventually managed to have the handicap washroom off the main corridor, established as such, rather than a private washroom for the staff. This was due in part, to the welcomed assistance of club member Tim McDonald. We have also been able to resolve the matter of the City's use of our electrical system to feed their security lighting, and have agreed the amount and rate the Club will be reimbursed dating back to 2000, although we have yet to receive a cheque for the outstanding amount.

We are still negotiating with the City to allow us to have the area between access gates at the north-east corner of court #3 and the sidewalk paved, so as to avoid the mess on the courts, when maintenance vehicles enter at this location. We have also proposed, that the Club be allowed to pave a 4.5m wide strip along the south side of the building, so that our growing numbers of younger and beginner players can be accommodated on mini-courts without interfering with the main courts. This proposal would not encroach on any other of the parks activities, and since the cost of the installation would be at the Club's expense, we can see no reason why the City will not let this work proceed.

Finally, due to the lack of committed competitive players, specifically the men, we have been forced to reduce the Inter-County teams from three to two, thus [except for an occasional make-up match that has been rained out], leaving Tuesday evenings free of match play. One more good note, the position of Tournament Director that has been open since the October AGM has been filled by Fred Yagi, and we are very pleased to welcome him to the Board. Have a very good season.

Galen Jones Wins Directory Cover Design Competition

Galen is a grade 10 student at Leaside High School. He has been a member of our Club for four years and hopes to become a tennis instructor this Spring.

Galen began chewing crayons shortly after birth, but, quickly realized he could make people “ooh” and “aaah” more if he drew with them instead.

East York Senior Games Disbanded.

The East York Senior Games has been disbanded because of a lack of volunteers. However, North York Winter Tennis members are eligible to play in the North York Senior Games.

News from Leaside’s Tennis Professionals

We are excited to welcome JEFF DURANTE back to Leaside full time this year. Jeff will take on the Head Professional position. Jeff is well known to many Leaside members, from his years of playing here as a junior, to working here as a fully certified pro. After completing his degree at Queen’s University and teaching tennis part-time at Leaside, Jeff worked as a full time tennis professional for Chris Evert at her tennis academy in Boca Raton, Florida. Now back in Canada, Jeff is coaching full time with the Toronto Tennis Academy and the Badminton & Racquet Club, and completing his Coach 2 certification through Tennis Canada.

Jeff’s able assistant this year is NICK D’AMICO. Nick helped us out on a few occasions last year and won us over with his enthusiasm and professionalism. We first came to know Nick as a junior when he trained with the Toronto Tennis Academy. Nick now has his Club Pro 1 certification with Tennis Canada and is working on #2. He has been working full time at Greenwin Tennis Club and the Badminton & Racquet Club throughout the winter and will be moving to the courts of Leaside as soon as the weather permits.

GEORGE CENIC will be back working with the Junior Teams [we won the league last year!]. You’ll also find George using the “Progressive Tennis” method to give Leaside’s youngest players a great start in the game. George recently updated his skills at a new “Progressive Tennis” course and has been working with this method throughout the winter at the Waterside Tennis Club. “Progressive Tennis” uses a system of special nets, courts and balls. [See “Progressive Tennis” in action, while having a look at Leaside’s future, during the after school clinics or summer camps.]

PETER CAMERON, Head Coach of the Toronto Tennis Academy, and EDDIE BRISBOIS will also be back and both are available for team coaching or private lessons.

Adult Player Development

The Adult Player Development Clinics, sponsored by Leaside Tennis Club, will run from April 21st through June 21st and will follow a similar format to that of 2007. The 2008 Application Form is included with this newsletter on page 5.

If you wish to take a clinic with friends, get the forms to me as quickly as possible and I will try to arrange it. Please note that the 9:00 – 10:00 a.m. clinics fill up extremely quickly.

Applications can only be accepted with appropriate payment provided.

Clinics are an excellent way for new members to get to know other players and to arrange games to practice the strokes that the coaches have shown you. These clinics are for members only. Feedback on clinics is appreciated.

We will be fielding 7 competitive Adult teams this season. All teams consist of doubles matches and a variety of levels are available. "Home" matches are played at Leaside and "Away" matches at various clubs around the Toronto area.

We thank Greenwin and the Waterside Clubs for accommodating us. There is a \$5.00 fee for attendance at the indoor practices to help offset court costs.

The outdoor practices at Leaside Tennis Club are free of charge and will be rescheduled if there is inclement weather. Coaches will be in attendance at all practices.

Captains and co-captains are required for each team! Leaside is lucky to have had wonderful captains in the past and the captains are the ones who have really contributed to the longevity and success of our teams. Captains are responsible for contacting team members about the line up, organizing players to bring refreshments to home matches and reporting scores to the league director. E-mail has made the captaining duties much easier than in the past. Please contact me if you would like information on being a captain, or talk to the pros at the try-outs.

SELF-RATING GUIDE - Guidelines to rate yourself

Study the self rating chart. Start reading from the top of the chart, beginning with Level 1. Find the level that best describes your general level of play Ask your Instructor or Coach to validate yourself rating, if you think that will help. Remember that as you play more, and improve, your rating may improve. Update your rating periodically. Results in social and competitive matches will validate whether your chosen level is reasonably accurate.
